

Formulierungen und Satzanfänge für Argumentationen (pro & cons)

Argumentation einleiten:

- If you discuss the question whether... , you might think that it will be a very *long/short* and *difficult/easy* discussion because there are (*not*) many arguments *for/against* (for and against) it. → hier muss es **LOGISCH** sein!!!

Argument einführen:

- Some people say that...
- On the one hand...
- It's a fact that...

weiteres Argument nennen:

- Not only that, but...
- What we also must not forget is that...
- Another important argument/aspect is...
- Furthermore, ...
- Moreover, ...

aus dem vorigen Argument folgt:

- As a result, ...
- Consequently, ...
- This is why (some people even claim that)...

voriges Argument näher erläutern:

- After all, ...
- Of course, many people would say that...

Beispiele geben:

- ..., e.g.
- Take for example ...
- ..., for example

Argument entkräften:

- One might argue that..., but I cannot share this view. (→ danach aber begründen!)

Argument oder Meinung verstärken:

- There is no doubt that...

Gegenargument(e) einleiten:

- On the other hand (there are good reasons for/against)...
- However, it is (also) clear that...
- However, there are also quite a few arguments for/against...

Zusammenfassen/Abschließen:

- Weighing all the pros and cons I come to the conclusion that...
- What it comes down to is that...

Meinung äußern:

- In my opinion...
- I think...
- I (strongly) believe that...
